

REMODELING/RENOVATION CONTRACTORS NEEDED

for the

Ongoing Single Family Home Rehabilitation Program

1955

Acceptable contractors must be licensed (by the State of Georgia) general contractors with a good credit rating and general liability, workers comp., and auto insurance policies.

Contractors will be required to complete an application and supply references outlining past customer and material dealer histories. No subcontractors should apply for this program.

Potential contractors should contact Pat Smith by calling 404-270-2566 or via email at pds@dekalbhousing.org to request an application package.
